1. Introduction

Pupil Premium and Pupil Premium Plus funding is made available in English schools to raise the attainment of disadvantaged pupils and to close the gap between them and their peers. As a music hub, BEAT does not receive Pupil Premium or Pupil Premium Plus funding.

However, Barnet Education Arts Trust (BEAT) is committed to giving every young person access to a music education and to supporting eligible young people to develop their musical talent where possible.

All applications for financial help for students eligible for Pupil Premium or Pupil Premium Plus funding will be dealt with on a case by case basis.

2. Eligibility

Applications will be considered from children included in the following categories:

- Children who have qualified for free school meals at any point in the past six years
- Children who are or have been looked after under local authority care for more than one day.
- Children from service families who receive a child pension from the Ministry of Defence.
- In March 2018 the Government announced that free school meals would only be available to children in KS2 whose families have a net income of £7400 or under, effective from 1 April 2018. If your child was previously entitled to free school meals but is no longer, they will still receive pupil premium based on the 'Ever 6' qualification (a pupil who has ever had free school meals in the past six years).

3. Contact for Applications
