# All Things Pass

by Bob Chilcott, text by Lau-Tzu

All things pass, a sunrise does not last all morning  
All things pass, a cloudburst does not last all day  
All things pass, nor a sunset all night  
All things pass

## *Part 1*

All things, all things pass  
All things pass  
All things pass  
All things pass

## *Part 2*

All things pass, a sunrise does not last all morning  
All things pass, a cloudburst does not last all day  
All things pass, nor a sunset all night  
All things pass

What always changes?

What always changes?

Earth, sky, thunder, mountain, water

Earth, sky, thunder, mountain, water

Wind, fire, lake

These change, and if these do not last

And if these do not last

Do man's visions last?

Do man's illusions last?

Take things as they come, take things as they come.

All things pass, a sunrise does not last all morning  
All things pass, a cloudburst does not last all day  
All things pass, nor a sunset all night  
All things pass  
All things pass

Whoa – oa – oa – oa

If you dare

There are coastlines in the heart

You won't reach if you don't start

Set a course for off the chart, and keep sailing if you dare

## *Part 1*

Leave the ground

See a thousand arms up there

If you dare

– are – are – are

If you dare

– are – are – are

If you dare

– are – are – are

If you dare!

## *Part 2*

Take a run and leave the ground

Take a second and look down

See a thousand arms up there

If you dare

There are coastlines in the heart

If you dare,

You won't reach if you don't start

If you dare

Set a course for off the chart

If you dare!

# Dare

By Gary Barlow & Tim Firth

Find the rules you knew and break them  
Find the roads you knew, don't take them  
Whatever's telling you no, whatever's changing your mind  
There's a courage you'll only ever find is there

If you dare  
Just for once don't stop and stare  
Spread your wings and trust the air  
When you feel you've gone too high, keep climbing if you dare  
Take it all one step too far  
Then look down at where you are  
There are views you only share if you dare – are – are – are

Take the maps they gave and burn them  
Take the lessons and unlearn them  
Whoever's holding you down, whatever's changing your mind  
There's a road you will only ever find is there

If you dare  
Just for once don't stop and stare  
Spread your wings and trust the air  
If you think the ice looks thin, run faster if you dare  
Take the jump without the fear  
And the far side will appear  
Of a land you find is there if you dare – are – are – are

Track twenty nine, boy can you give me a shine**

*Part 1*

Well, I can afford

To board the Chattanooga Choo Choo

I've got my fare

**And just a trifle to spare**

**You leave the Pennsylvania station 'bout a quarter to four**

**Read a magazine and then you're in Baltimore**

Dinner in the diner

**Than to have your ham and eggs in Carolina**

**When you hear the whistle blowing eight to the bar**

**Then you know that Tennessee is not very far**

Shovel all the coal in

**Woo woo Chattanooga, there you are**

There's gonna be

A certain party at the station

Satin and lace

**I used to call funny face**

**Well, they're gonna cry until I tell 'em that I'll never roam**

**So Chattanooga Choo Choo, won't you choo choo me home**

**Chattanooga, Chattanooga, Chattanooga, Chattanooga**

**Chattanooga Choo Choo, won't you choo choo me home**

*Part 2*

I can afford

To board the Chattanooga Choo Choo

I have got my fare

**All aboard – There's gonna be**

A certain party at the station

Satin and lace

**I used to call funny face**

**Well, they're gonna cry until I tell 'em that I'll never roam**

**So Chattanooga Choo Choo, won't you choo choo me home**

**Chattanooga, Chattanooga, Chattanooga, Chattanooga**

**Chattanooga Choo Choo, won't you choo choo me home**

**All aboard!**

A certain party at the station

Wearing satin and lace
