

6. Love Shine a Light

Kimberley Rew

Love shine a light in every corner of my heart
Let the love light carry, let the love light carry
Light up the magic in every little part
Let our love shine a light in every corner of our hearts

*And we're all gonna shine a light together
All shine a light to light the way
Brothers and sisters in every little part
Let our love shine a light in every corner of our hearts*

Love shine a light in every corner of my dreams
Let the love light carry, let the love light carry
Like the mighty river flowing from a stream
Let our love shine a light in every corner of my dreams

And we're all gonna shine a light together...

Love shine a light in every corner of the world
Let the love light carry, let the love light carry
Light up the magic for every boy and girl
Let our love shine a light in every corner of the world

And we're all... (chorus x 3)

Let our love shine a light in every corner of our hearts

2. Sunrise

Ben Parry / Lara Wong

Like dusk one touch
I'll turn the sky purple
Like dusk one touch
I'll overcome any hurdle

Like night I'll fight
All the ghosts that surround me
Like night I'll fight
All the worries that crowd me

Like dawn I'll rise
I can carry the sun
Like dawn I'll rise
Watch me run, run, run

I can be who I want
I can be like no one
My identity is my own
And I've only just begun.

3. I Got Rhythm

George & Ira Gershwin

I got rhythm, got rhythm in my fingers/body/legs/hands

Doo, doo, doowah...

Days can be sunny, with never a sigh
Don't need what money can buy
Birds in the trees sing their day full of song
Why shouldn't we sing along?
I'm chipper all the day, happy with my lot
How do I get that way? Look at what I've got

I got rhythm, I got music
I got my friend
Who could ask for anything more?

I got daisies in green pastures
I got my friend
Who could ask for anything more?

Old man trouble, I don't mind him
You won't find him round my door

I got starlight, I got sweet dreams
I got my friend, who could ask for anything more?
Who could ask for anything more?

Doo, doo, doowah...

I got rhythm (x3), got rhythm in my fingers/body/legs/hands

I got rhythm... Doo, doo, doowah...

Who could ask – for – anything – more?
I got rhythm!

5. I'm still singing

Gitika Partington / Andrew McCrorie-Shand

Sing me on a journey
Sing soft when the warm winds blow
Sing me on a journey
I face the sun, and my eyes are closed
Sing me on a journey
I sing out on the mountains high
Sing me on a journey
Sometimes I laugh, sometimes I cry

So the journey goes by, and I'm still singing
I laugh and I cry, and I'm still singing
I can fall, I can fly, and I'm still singing
Say hello or goodbye, and I'm still singing
Mm-mm
