

What are you?

In the darkness a blinking light
Are you a jumbo jet, or maybe a satellite?
Or are you a spaceship from a distant star?
How I wonder what you are...

Where is your home? How do you shine?
I want to know is your world just like mine?
If you were here what would you say?
I want to hear about the Milky Way

Now you're not such a tiny gleam
You're getting closer, or have I begun to dream?
Hurtling towards me through the endless night
Filling up my room with light...

Where is your home?
How do you shine?
I want to know
 is your world just like mine?
If you were here what would you say?
I want to hear about the Milky Way!

Heno, Heno

Heno, heno,
Hen blant bach
Heno, heno,
Hen blant bach

Dime, dime, dime,
Hen blant bach
Dime, dime, dime,
Hen blant bach

Gwely, gwely...
Cwsgy, cwsgy... (*"cussgy"*)
Fory, fory... (*"vory"*)

Teddy bear, teddy bear...

turn around
touch the ground
tie your shoe
that will do
jump up high
wave goodbye
turn out the light
say goodnight

A Sailor Went to Sea

A sailor went to sea, sea, sea
To see what he could see, see, see
But all that he could see, see, see
Was the bottom of the deep blue
sea, sea, sea

Chop, chop, chop
Knee, knee, knee
Sea, chop, knee

Hi Lo Chickalo

Hi lo chickalo, chickalo, chickalo
Hi lo chickalo, chickalo hi

All the Difference

When things are new and strange
we sometimes feel that all the world is grey
But everything can change
with just one friend to help us on our way
A smile, a game to play
makes all the difference
makes all the difference to our day

We all know how it feels
to find that we are sitting on our own
So keep your eyes peeled
for people who are feeling all alone
A hug, a hand to hold
makes all the difference
makes all the difference to our world

And if we add together all the things we do, the things we do
It all keeps adding up to friends for me and you
for me and you

So always say "hello!"
and ask a friend how they are feeling too
'Cause you may never the know
the difference you can make by being you
Fist bumps and high fives
makes all the difference,
makes all the difference to our lives
